

TEEN SUPERVISION FORM

ATTENTION:

Parents of minors who will stay at the Gathering in accommodations apart from their parents

In the past we have had some injuries, some monitoring difficulties, and some strained interactions with camp personnel over the behavior of some of our young attendees. We are determined to demonstrate that we can manage the behavior of our young attendees in a safe and sensible manner.

Thus, it is our policy to require parents of teens staying apart from them to be responsible for the teen's behavior at all times. The parents must find an adult staying in the teen's dorm who will agree to be aware of the teen's behavior, and this adult will contact the teen's parent if necessary (including curfew violations by the teen). Parents will then take responsibility for handling any problems.

I _____ (parent) am responsible for
_____ (teen or child) while at the
Southeast Gathering.

I am staying in the following location _____ and
will or will not have a cell phone: The number is
_____.

I understand that the teen is required to be back in
their dorm at 11:30pm and check in with _____, the
adult who has agreed to be responsible for them in the
dorm.

IF THEY DO NOT REPORT BACK TO THE DORM BY 11:30 the adult
in charge will contact me (the parent) and I am
responsible for finding the teen and taking charge of
them.

Signed:
