

CHILD/TEEN WITHOUT PARENT FORM

Minors name

It is the SE Gathering policy to require a responsible substitute parent or adult 'mentor' of the same sex for each otherwise unsupervised child or teenager, age 17 or younger. The mentor must:

- be 21 years of age or older
- by signing this form, agree to manage and restrain a young person in their care who is acting in an inconsiderate, rowdy or dangerous manner
- by signing the form, be responsible for the child or teen at all times during the Gathering, including making sure they follow curfew times at night if the child and adult are staying in the same accommodations
- if a teen and the accompanying responsible adult are not staying together, an adult in the teen's dorm will be appointed to be aware of the teen and contact the accompanying adult if the need arises(including curfew violation), at which time the accompanying adult will deal with whatever problem needs addressing.

If you are a parent who will not be accompanying your child/teen to the SEG, you MUST return this form before your young person will be considered registered. By signing this form, the adult and young person who will be accompanied acknowledge and accept these conditions. On arrival at camp a teen staying away from the responsible adult, and the responsible adult both will be required to sign a form acknowledging responsibility to the dorm supervisor.

CHILD/TEEN: _____ Age: _____

I have read the above and agree to all responsibilities.
